Email Reference Docs via Reference Page

Email Reference Docs via Transactions

Download a Doc

Download a document on a transaction...

Who Can Do This: Agents can view docs on transactions they're added to, but only in the [Document Permission Categories](#) they have access to. Admins can view all documents on all transactions.

To view documents added to a transaction:

Go to the Transaction

- Open the transaction where you need to take action.

Choose the Doc to Download

- Find the doc you want to download.
- Click the gear next to it and select [Download]. The doc will be downloaded to your computer.

Email a Doc

Download a document on a transaction...

Who Can Do This: Agents can view docs on transactions they're added to, but only in the [Document Permission Categories](#) they have access to. Admins can view all documents on all transactions.

To view documents added to a transaction:

When you're sending an email...

Choose the Doc(s) to Send

(Optional) Attach Docs as Zip File Link
