

What's New (June 29, 2017)

Recover deleted docs: Master admins and document deleters can recover docs deleted from transactions as well as unassigned docs. Click the "Deleted Docs" option from the left-hand menu of the transaction or the Unassigned Docs section to locate and download the deleted doc. Then re-upload it to the system if needed. [Learn how this works here →](#)

Keep your computer logged in for 7 days: When logging in to Pipeline, you can now select the option called "Stay logged in for 7 days". For security, be sure to only use this option from your own computer and own secure network. [Learn more here →](#)

Buyer and Seller email addresses included in transaction downloads: Need to send an email to buyers or sellers? Download transaction spreadsheets to access email addresses of buyers and sellers. [Learn how to download spreadsheets here →](#)

Open next/previous document previews with new keyboard shortcuts: Now you can use Shift + ↑ and Shift + ↓ (Shift plus up or down arrow on your keyboard) to quickly open the preview of the previous or next docs when in any document list.

New high-contrast color theme: Pipeline's new high-contrast color theme offers distinctive lines and colors, helpful for color-blind and visually impaired people. [Learn how to apply the new color theme to your account here →](#)

View new offer status right from its original transaction: Hover over a transaction's new offer to instantly see that offer's current status and creation date.

And scores of small improvements.
