

## What's New (February 24, 2020)

### **Estimate potential and future revenue in an instant:**

- The PENDING INVENTORY REPORT allows you to forecast future commissions for specified time periods. It includes sales and commission figures for all your pending transactions, and can be filtered by side, Transaction Label, and date range.
- The LISTING INVENTORY REPORT allows you to closely monitor the health of your business and track market changes by reporting your listing side inventory for a specified period. The report includes the number of listings, list price volume, and average list price.
